- Maximum corrosion resistance.
- Labels in Arabic and English Language

Example of Class A Wood  
Paper, Cardboard , Fabric

Example of class  
B Petrol, Oil  
Paints, Grease

Example of Class C  
Flammable Gases NOT  
Having an explosive risk

### Specifications:

| Model No               | ADSP-25                     | ADSP-50  |
|------------------------|-----------------------------|----------|
| Extinguishers Capacity | 25 Kg                       | 50 Kg    |
| Extinguishing Agent    | 40% ABC Dry Chemical Powder |          |
| Propellant             | Nitrogen                    |          |
| Operating Temperature  | -20°C + 60° C               |          |
| Working Pressure       | 15 Bar                      |          |
| Test Pressure          | 30 Bar                      |          |
| Total Weight           | 51 Kg                       | 93 Kg    |
| Range of Discharge     | 7-9m                        | 7-9m     |
| Duration Of Discharge  | 25-30sec                    | 40-45sec |
